ProductSheet

HP Poly Focus 625 Fold Stereo Bluetooth Headset (C56XSAA)

Comfort and focus, wherever work happens

Stay focused and in control wherever you work. With clear calls, enhanced noise reduction1, and a slim design that's easy to wear all day, this headset helps you stay productive—whether you're on back-to-backs, heads-down, or just listening in.

Designed to move with you
Look sharp and stay comfortable, in meetings or on the move. A slim design with a hideaway boom creates a clean, modern look, while soft cushions and an ergonomic headband support all-day wear. Folds up easily when it's time to go.

Create a focus zone
Hear and be heard clearly wherever you work. Four noise-cancelling mics with enhanced noise reduction[1] and Hybrid Active Noise Cancellation (ANC) block distractions to keep calls clear, while spatial audio creates an immersive experience for music and media.

Take on the day. Uninterrupted.
Experience a headset that's built to keep up. Up to 25 hours[2] of talk time, generous wireless range, and intuitive controls give you the freedom to move and the confidence to stay connected from the first call to the last.

Featuring

Foldable portability
A foldable design makes it easy to pack up and go—whether you're commuting, traveling, or switching between home and office. Includes 3.5 mm to USB-C cable for corded audio, perfect for airline inflight entertainment, and hard-shell travel case.

Comfort with an ergonomic fit
Ear cushions that match your natural ear shape and an ergonomic headband, featuring a pressure-relief gap for better pressure point distribution for a more comfortable fit all day.

Advanced Voice Noise Control
Four noise-cancelling mics featuring Acoustic Fence 2.0 technology with enhanced noise reduction[1] captures your voice clearly and block distractions, delivering a consistently excellent audio experience.

Clear calls and audio
Hybrid active noise cancellation uses microphones both inside and outside of the ear cups to reduce background noise, while Transparency mode lets you stay aware of your surroundings.

Spatial audio
Spatial audio recreates how we hear in the real world by placing sound in front of, behind, above, and beside you—not just left and right. Voices and media feel more natural and lifelike, reducing ear fatigue and supporting focus all day.

Specifications

Product Design	Foldable
Audio Features	Hybrid Active noise cancellation (ANC); Transparency mode; Microsoft Teams Open Office certified; Acoustic Fence 2.0 with enhanced noise reduction
Product Dimensions W x D x H (metric)	180 x 150 x 50 mm
Product Dimensions W x D x H (imperial)	7.1 x 5.9 x 2 in
Weight (metric)	208 g
Weight (imperial)	0.46 lb
Package Dimensions W x D x H (metric)	183 x 172.5 x 60 mm
Package Dimensions W x D x H (imperial)	7.2 x 6.8 x 2.4 in
Package Weight (metric)	430 g
Package Weight (imperial)	0.95 lb
Battery Life	Up to 25 hours (talk time, ANC and online indicator on); Up to 30 hours (talk time, ANC and online indicator off); Up to 42 hours (listen time, ANC on and online indicator off); Up to 52 hours (listen time, ANC and online indicator off)
Battery Recharge Time	Approximately 10 minutes of wired charge delivers up to 4 hours (talk time, ANC and online indicator off); Approximately 10 minutes of wired charge delivers up to 6 hours (listen time, ANC and online indicator off)
