Transition Guide

Upgrade to the HP Poly Focus 6 Series

What did we improve?

HP Poly Focus 6 Series vs. HP Poly Voyager Focus 2

- **Enhanced Appearance and Comfort:** Designed to look great on camera and out in the world with a hideaway boom and slimmer design. Ear cushions that match your natural ear shape and an ergonomic headband deliver improved comfort.
- **Foldable Portability:** A new optional foldable design[5] makes it easy to pack up and go—whether you're commuting, traveling, or switching between home and office.
- **UC Certified from a Single SKU:** Get all our supported UC certifications, including Microsoft Teams, Google Meet and Zoom from a single SKU.
- **Improved Audio for Calls and Listening:** Includes Acoustic Fence 2.0 with enhanced noise reduction[1] that keeps background noise quieter, and spatial audio for a more lifelike listening experience. Our new ear cushion shape also provides better passive noise cancelation for an improved listening experience.
- **Longer Talk Time and Wireless Charging:** Better battery life so you can keep the conversation going. Keep it powered up and to hand with new HP Poly Focus Wireless Charge Stands.
- **Product Longevity:** Batteries and ear cushions are now easily replaceable for the end user, with no tools needed. We also offer the option of spare over-ear cushions for even more immersive listening.
- **Intuitive Controls:** Interacting with the headset has never been easier, with the addition of a new tactile jog wheel.

Comfort and focus, wherever work happens

Stay focused and in control wherever you work. With clear calls, enhanced noise reduction[1], and a slim design that's easy to wear all day, this headset helps you stay productive—whether you're on back-to-backs, heads-down, or just listening in.

Suggested SKU Transition for HP Poly Voyager Focus 2 to HP Poly Focus 6 Series

HP Poly Focus 6 Series headsets include the following:

- HP Poly Focus 625 (Commercial)
- HP Poly Focus 625 Fold (Commercial)
- HP Poly Focus 620 (Consumer)
- HP Poly Focus 620 Fold (Consumer)

Be sure to introduce both variants when showcasing the HP Poly Voyager 6 Series to customers. Our folding version is intended to compete directly with the Jabra Evolve2 65 Flex and other foldable competitive headsets in the foldable headset product segment

The fold version offers enhanced portability, and is the first foldable stereo headset offered by HP Poly. It is a net-new addition to the portfolio, and thus it is not positioned as a direct replacement SKU for the HP Poly Voyager Focus 2 in the initial table below. Please see the second table below for HP Poly Focus 625 Fold SKUs

The first table below shows HP Poly Focus 625 SKUs only, and the legacy HP Poly Voyager Focus 2 SKUs they will replace.
